## **PROJECT DESCRIPTION**

Title of Project:

Total amount requested from NSA:

1. Please describe your organization or business, the service(s) you provide, and any experience relevant to this project.
2. Describe the proposed project including goals and a timeline. If you have a business plan, please include it.
3. How will the proposed project improve the state of the local shell fishing community, harbor health, or shell fishing economy?
  - Who will this project serve on a regular basis?
  - What need in the community is this proposed project solving or supporting?
4. What is the total cost of the proposed project? Please include an itemized budget and explanation for expenditures.
  - Is there any other additional funding available for this program/project? If so, please identify sources and amounts (fundraising events, business loans, other grants, etc.).
  - If this project is not fully funded will all or any part of it be implemented?
5. How will you evaluate the success of this project?
  - What milestones do you expect to reach and at what intervals?
  - What infrastructure do you have in place to support the program/project (i.e. staffing, facilities, equipment)?
